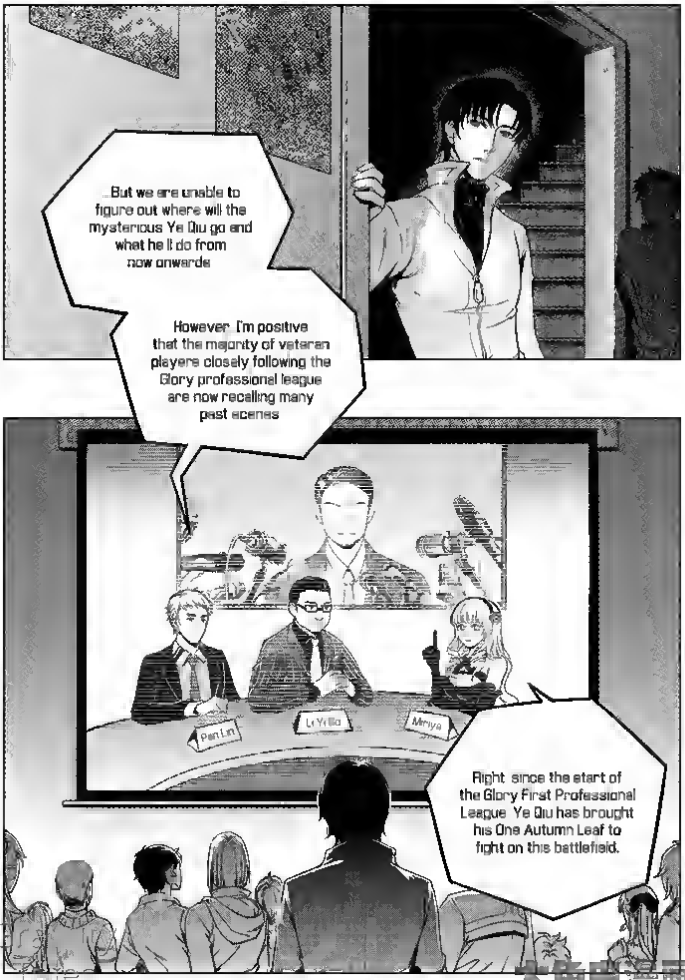
...right now we're looking at live coverage of this afternoon's news conference held by Excellent Era
Other than announcing the news of Ye Qiu's retirement
Excellent Era's manager also expressed that the currently empty Team Captain position will be succeeded by the newly transferred Sun Xiang
It is with deep regret that we inform you, Ye Qiu has rejected to take on another position in the club.
And the account, One Autumn Leaf will also be taken over by him.
HUH? WHY AREN'T THE FIRST FLOOR'S LIGHTS ON?
As for Ye Qiu, we can only confirm he has already left Excellent Era...



...But we are unable to figure out where will the mysterious Ye Qiu go and what he'll do from now onwards.
However, I'm positive that the majority of veteran players closely following the Glory professional league are now recalling many past scenes.

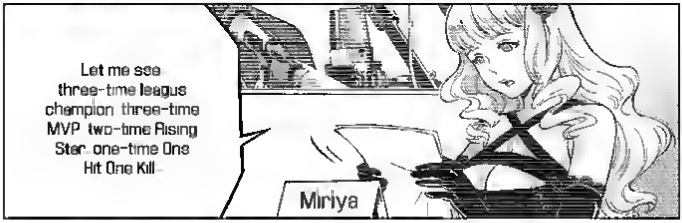
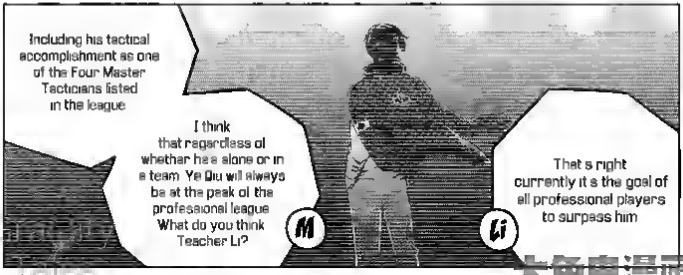
Right, since the start of the Glory First Professional League, Ye Qiu has brought his One Autumn Leaf to fight on this battlefield.

During that time, Ye Qiu was successful in every endeavor. It's not an exaggeration to say his battle lance had swept through the entire league
Pan Lin

Li Yi Bo
It's definitely not an exaggeration. When he led Excellent Era to their position as three-time league champions, his One Autumn Leaf also received the title of Battle God



Let me see... three-time league champion, three-time MVP, two-time Rising Star, one-time One Hit One Kill...
Miriya



Including his tactical accomplishment as one of the Four Master Tacticians listed in the league
I think that regardless of whether he's alone or in a team, Ye Qiu will always be at the peak of the professional league. What do you think, Teacher Li?
M
That's right, currently it's the goal of all professional players to surpass him
